REGIONAL SHOWS & OTHER EVENTS 17 November 2015

Dear Member,

We undertook in our recent News Flash to keep you informed about the National Championships, Regional Shows and other events of the Society.

Under the circumstances we need to adopt a practical approach and in an effort not to prejudice members with regard to regional shows and other events, it would only be reasonable to allow those willing to run and organise those regional shows and events that will be held before the resubmission of our Constitution, to do so.

The issue of shows will need to be discussed and voted on at our next SGM/AGM as it seems to have become a bone of contention, but until such time the regional shows must continue.

The National Championships, however, needs further consideration because of previous AGM and Council resolutions. You will therefore be informed about the National Championships in due time.

Kind regards

Geagte Lid,

Ons het in ons onlangse Nuusflits onderneem om u ingelig te hou oor die Nasionale Kampioenskappe, Streekskoue en byeenkomste van die Genootskap.

Ons moet onder huidige omstandighede 'n praktiese benadering volg en om nie bevooroordeel teenoor lede te wees rakende die hantering van streekskoue en ander byeenkomste nie, sal dit net redelik wees om diegene wat bereid is om hierdie streekskoue en byeenkomste te organiseer voor die herindiening van ons Grondwet, toe te laat om dit te doen.

Dit lyk asof skoue by sommige lede 'n steen des aanstoets geword het en daarom sal dit tydens ons volgende SJV/AJV bespreek moet word, maar intussen sal die streekskoue moet voortgaan.

Die Nasionale Kampioenskappe vereis egter verdere oorweging as gevolg van vorige AJV- en Raadsbesluite. U sal daarom te gelegener tyd ingelig word oor die Nasionale Kampioenskappe.

Vriendelike groete

Yours faithfully / Die uwe

.....
